ABOUT US

We change for you!

For 20 years we have been listening to the advice and comments of specialists, expanding our knowledge and moving with the times, changing just for you! Over the years, we have made external and internal changes, which resulted in a new logo, new graphic design and high-quality packaging. But it is not everything. For years, we have been focusing on quality - we improve our recipes, introduce new products to the market, meeting the expectations of the 21st century.

We are handing over to you the SPA & WELLNESS catalog, full of attractive products and new products. You will find there the Pedicure SPA, Manicure SPA and Body SPA lines. The catalog is dedicated to white cosmetics, which will find its application in a home SPA or beauty salon.

We believe that our products will meet with great interest, and the modern technologies used in production, combined with the effectiveness of operation, will meet your expectations.

PEDICURE SPA

PEDICURE SPA

Beautiful feet are happy feet, which is why we focus so much on the effect and quality in our Pedicure SPA cosmetics! We live fast, actively these days, and we often forget about our two friends who guide us throughout our lives. Working with **qualified cosmetologists**, we know how many needs our feet have to make them feel happy!

We introduce **Polish cosmetics** to the market, which can revolutionize the SPA market with their quality and competitive price
